

Spring 2025

Dear Campers and Camp Parents:

Hello to all.

I hope that all of you are well.

We have a good summer planned and I hope you will participate in some or all of it.

We will be using the same venue as last year, RANCHO IBARRA. Last year was wonderful and we hope to continue the success this year. It is located in Tujunga Canyon. Close to home for so many of us. Tujunga Canyon is off the 210 Freeway in the town of Verdugo. From San Fernando Valley it is 45 minutes. From Central Los Angeles 1 hour or less.

Cost per session is \$300.00. Fee includes all activities.

If the Fee is difficult, let us know what is possible for you. NO child will be turned away due to lack of payment. We want every child to attend Camp if they so desire. Fill out the campership form if you need financial assistance.

Camp bus will pick up in San Fernando Valley, Los Angeles and Upland. If there are more than 5 kids in any area not listed, we can add a bus stop.

Do not let the cost keep your child from experiencing camp.

- Camp is good for kids, it frees the brain and clears the mind
- There have been research studies conducted on how attending camp can positively affect children's development, both emotionally and intellectually.
- Nature is good for kids, it brings peace to the soul
- Meeting new people is good for kids, reduces the potential of social limitation. In our world we need to be as aware as possible of persons that are not exactly the same as we are.
- Fresh air is good for kids, clears the lungs.
- Learning to work with new people of different ages is good for kids, learning skills such as conflict resolution is a life skill.
- Learning about self is good for kids, we need to know our own voice in order to make good choices.
- Camp is fun. In the midst of traditional camp activities there is just fun to have. Fun lifts anxiety and opens channels of learning.
- Bullying is not acceptable at Camp. Learning to deal with different people/kids helps raise awareness and therefore limits bullying.

IT IS ALL GOOD

These are our sessions for Summer 2025:

July 14 –18 (4 nights) Session 1 Girls Camp

July 21 – 25 (4 nights) Session 2 Girls Camp
